Cleveland Clinic Abu Dhabi
Health Portal: Your Interactive Health Record

1. Access and Activation

Cleveland Clinic Abu Dhabi ("CCAD", "we", "us" and "our") offers the <i>Cleveland Clinic Abu Dhabi Health Portal: Your Interactive Health Record</i> ("the Portal") as a secure Internet-based environment through which you may access services and receive certain confidential health information about yourself released at the discretion of your CCAD primary care physician. Once you sign up for the Portal, you will be given a one-time-only access code that is valid for 60 days that that you will use to activate your account. You will then create your own Portal ID, password and password hint. To activate your Portal account, you must also provide us with your email address. Although we will not send any confidential health information to you via your email address (unless you have otherwise agreed to this), we will notify you via your email when new health information has been released to your Portal account. We may also contact you via your email address with important notices or information.

2. Functions

Once you have activated your Portal account, the Portal will become the primary vehicle
